August 19, 2020

Greetings to all of our Parents and Families of Hutch Tech,

This is Dr. Morquecho, Principal at Hutch Tech, calling with 3 important messages:

1. Our Virtual Freshman Orientation for All of our Freshman and any Sophomores who are new to our Hutch Tech family, is scheduled on Wednesday, August 26, 2020. A link will be provided on the Hutch Tech website at hcths.com, so that you will be able to access our video and learn about our school procedures and all that Hutch Tech has to offer. We are including a Survey Monkey so that we can respond to any additional questions that you may have.

2. At this time, we continue to be unclear of what school will officially 'look like' in September. The district is working to create a plan that will support parents/families and all stakeholders which will also adhere to the academic requirements of NYS. Several meetings are being held by the district to discuss Reopening plans. Please be sure to participate in as many discussions as possible. I am aware that the District Reopening Plan is being adapted to respond to the needs of parents, families and all stakeholders.

3. The district is offering several learning opportunities to prepare for the upcoming school year. Currently, Schoology training is being offered. At this time, sessions for Schoology training take place on Tuesdays and Thursdays at 10:00 AM and 12:30 PM.

Please Sign up here: <https://forms.gle/UKWoe9xMy5Jv7zmo6>

Please refer to the district website for these trainings and any other trainings that are being offered through the district.

Thank you and I look forward to another amazing Hutch Tech school year.

Dr. Gabrielle Morquecho
