August 26, 2019

Dear Parent/Guardian:

Welcome to the 2019 – 20 academic school year. Our assistant principals and the grade levels they oversee are Mr. Daniel Zack (Freshman), Mr. Gregory Stefanone (Sophomores), Mr. Pedro Estrada (Seniors), and Mr. Dennis Lesniak (Juniors).

At Hutchinson Central Technical High School, our purpose is to promote student learning and individual growth. We will align our collective endeavors to accomplish that end. Our motto for success at Hutch Tech will be “Engineer Your Future”, where students are encouraged to take advantage of all of the opportunities and rigorous coursework that is available to them. This will ensure the highest levels of learning for every child.

Parents, you are our most valuable resource. Our students have many challenges facing them and I ask that we work together to resolve issues. We need your support and commitment.

Attendance is crucial for success. Please encourage your student to attend school daily and be sure that they are reporting to all classes on time throughout the school day.

Students must also be sure to complete all homework assignments. A student at HCTHS can expect graded work on a daily basis. The class work is demanding and a student’s schedule is full.

To monitor student attendance and grades regularly, please utilize our “parent portal”.

Your child will be given a letter on the first day of school with ‘step by step’ procedures to help you with the ‘log in’ process for use of our Parent Portal.

Parent Portal will give you access to your child’s grades, attendance, teacher contact information, etc.

I encourage all parents to be sure to create an account, if you do not already have one, so that you are able to help support your child and ensure success.

1st Day/1st week:

-All Freshman will enter the school at the Chip 1 door. They will then report to the Auditorium.

-All Sophomores, Juniors and Seniors will enter the school at the Chip 1 door and report to their homeroom. The homeroom is printed on student schedules in Infinite Campus (IC).

-Student locker assignments and Bus passes will be given in homerooms on the first day of school, Friday, September 6, 2019.

A student handbook/planner will be distributed to each student. School policies and general information are included. Students use the planner daily as a ‘pass’ to travel throughout the school day. A Code of Conduct pamphlet will be distributed to each student. Please keep the document for reference. I encourage you to become active in the PATRONS organization (see enclosure) and to attend our Site-Based management meetings which meet monthly. The dates of our SBMT meetings are listed on the Hutch Tech website.

School Calendar: Please see the Hutch Tech website as we update events throughout the school year. Important dates are already on the site, however, events that require additional planning are tentative and may need to be rescheduled. Please see the tentative calendar (see back) so that it is available to your family.

Thank you,
Dr. Gabrielle Morquecho, Principal
